

Mr. Mustafa Wajid

Qualification:

- B.E. in Electrical Engineering in 1984 from UVCE, Bangalore.

- Since 1977...Involved in the design, development & production of
 - Power Capacitors
 - Power Factor Correction Systems
 - Harmonic Filters
 - Power Quality Correction Solutions

- He is the Co-Promoter & Executive Director of Meher Capacitors Pvt. Ltd.,
 - A company with 200+ people & manufacturing plants in India & Germany

- Chairman of
 - IEEMA Capacitor Division
 - Plastic Capacitors Technology Centre (PCTC)
 - CAPACIT-2005...an International Technical Seminar held at New Delhi in Nov 2005
 - Workshop on “Future Challenges in Capacitor Technology” conducted by CPRI Bangalore in Oct.2006.

- Member of
 - Electro Technical Committee on Power Capacitors
 - Bureau of Indian Standards
 - National Study Council NSC-D1, CBIP, Government of India
 - APDRP Task force, Ministry of Power, Government of India.
 - For standardizing national specifications for Electrical Equipment used in the Power Distribution System
 - Technical Committee, Central Electricity Authority(CEA), Government of India
 - For assessing “Best Practices” in the Power Distribution System in India
 - “Expert Panel” in PANIIT 2006 Global Conference...
 - in Segment 5 “TECNHOLOGY FOR BHARAT NIRMAN”
 - Session on “Emerging Technologies”

- Organising Committee...”ELECARAMA”
- He has presented several technical papers in various seminars.
- He has conducted several training programs in the areas of
 - Reactive Power Compensation
 - Power Quality Management.
- Involvement in Emerging Technology areas...
 - Development of High energy density “Supercapacitors”...for energy storage applications in critical applications
 - Defence, Space etc.
 - Participant in the recent initiative of Dept of Science & Technology...under the aegis of TIFAC (Technology, Information Forecasting & Assessment Council), Government of India
 - For development of Electric Vehicles & Hybrid Electric Vehicles
 - R&D activity focusing on developing...
 - Renewable Energy based solutions for “Rural India”
- “External Examiner” for PG students at IIMB...
 - Center for Public Policy & Management
